2007 Lincoln MKZ - Owner's Manual - PDF (272 Pages)

In that fuse panel in the number 32 position is the cigarette lighter fuse and should be a 20 amp fuse (picture of fuse layout I did have and is below). As far as the air conditioner, there is a couple of things you can check. In the front power distribution box located under the hood in the engine compartment (see picture below) in the number 1 position is a 10 amp fuse which handle the air ...
