@Melissa, No, I believe the correct term is a "shallow floor plate" I was trying to find a good definition of what this exactly means, but the only thing I could find that proved this is the correct term comes from a number of websites for daylighting and ventilation strategies.

Indoor Environmental Air Quality 8.1 – Daylighting and

Reader's Comments . I never was into any of that BDSM stuff - my husband should have known that but maybe it was his horniness and a hopeless overestimation of the power of pop cultural influence that made him think different.
